

Position Announcement

February 17, 2021

BIOLOGY/MICROBIOLOGY FACULTY

North Central State College is accepting applications for a full-time **Biology/Microbiology Faculty** beginning Fall 2021.

Essential duties/responsibilities include but are not limited to the following:

- Maintains minimum of 15 credit/18 contact hours of classroom, clinical and/or laboratory instruction per term and reflects a 40-hour workweek.
- Meets with all classes as scheduled and provides the full component of instruction.
- Provides appropriate assistance and supervision to students in all classrooms, clinicals and/or laboratories.
- Delivers instruction based on the learning objectives and course outcomes found in the official College syllabus.
- Develops and maintains appropriate course materials to be distributed to students.
- Maintains current knowledge and skills in the faculty member's discipline and in teaching strategies.
- Holds at least four (4) office hours per week for student consultation and advisement.
- Maintains accurate academic and attendance records for all students.
- Reports attendance information, midterm deficiencies, and final term grade to the Student Records Office in the manner and by the dates specified.
- Operates within the organizational structure and policies of the College.
- Attends departmental, divisional, and professional development meetings and other College activities as required.
- Attends graduation ceremonies and assists as requested.
- Assists the divisional Dean, Assistant Dean, Program Director and/or Program Coordinator in maintaining an inventory of appropriate educational supplies and equipment.
- Maintains proper housekeeping and safety rules in classrooms, clinicals and/or laboratories.
- Maintains security of College property.
- Serves on College committees.
- Performs community service including serving on and working with community organizations, area agencies, and /or advisory committees.
- Maintains proper housekeeping, safety, and security in classrooms, clinicals and/or laboratories.
- Assists in maintaining appropriate educational supplies and equipment classrooms, clinicals and/or laboratories.
- Maintains professional relationships with students, peers, and staff to promote competence, education, and training related to program.

Qualifications:

- Master's degree in Biology or Microbiology, or Master's degree in related field and 18 graduate hours in Biology.
- Previous post-secondary teaching experience preferred.
- Background in General Biology or Microbiology preferred.

We offer a competitive wage and benefit package that includes health/dental/vision insurance, state retirement system, tuition remission, and much more.
