

Mechanical Engineering Technology Faculty

North Central State College is accepting applications for a faculty member to teach in the Bachelor of Applied Science in Mechanical Engineering Technology (BASMET). The BASMET program is committed to project-based learning and faculty will have the opportunity to work collaboratively with colleagues to continuously refresh courses and processes while working towards ABET accreditation. The Bachelor of Science in Mechanical Engineering Technology program offered at North Central State College’s Kehoe Center in Shelby, Ohio. Courses are delivered both day and evening. The faculty member will deliver classes in solid mechanics, thermal/fluid science, and engineering projects. The position will commence Fall semester 2024 (8/12/24).

Essential Duties include but are not limited to the following:

- Maintain minimum of 15 credit/18 contact hours of classroom, clinical and/or laboratory instruction per term and reflects a 40-hour workweek.
- Meet with all classes as scheduled and provide full component of instruction.
- Provide appropriate assistance and supervision to students in all classrooms, clinicals and/or laboratories.

- Deliver instruction based on the learning objectives and course outcomes found in the official College syllabus.
- Hold at least five (5) office hours per week for student consultation and advisement.
- Report attendance information, midterm deficiencies, and final term grade to the Student Records Office in the manner and by the dates specified.
- Maintain professional relationships with students, peers, and staff to promote competence, education, and training related to program.

Qualifications:

- Graduate degree in Mechanical Engineering; graduate degree in Engineering with undergraduate degree in Mechanical Engineering; or graduate degree in Engineering Technology with Mechanical focus and relevant work experience.
- Minimum of one-year related work experience in Engineering or Engineering Technology field preferred.
- Prior college level teaching experience preferred.
