

INFORMATION TECHNOLOGY FACULTY
CYBER SECURITY EMPHASIS
BUSINESS, INDUSTRY & TECHNOLOGY DIVISION

9-Month Position

North Central State College is accepting resumes for a full-time 9-month faculty position in the Information Technology Department. The position will commence January 17, 2023. Day, evening, and weekend hours may be required.

Essential duties/responsibilities include but are not limited to the following:

- Maintains minimum of 15 credit/18 contact hours of classroom or laboratory instruction per term and reflects a 40 hour work week.
- Meets with all classes as scheduled and provides quality and engaging instruction in all delivery methods and formats.
- Provides appropriate assistance and supervision to students in all classrooms or laboratories.
- Delivers instruction based on the learning objectives and course outcomes found in the official College syllabus.
- Develops and maintains appropriate course materials to be distributed to students.
- Maintains current knowledge and skills in the faculty member's discipline and in teaching strategies.
- Posts and holds at least four (4) office hours per week for student consultation and advisement.
- Maintains accurate academic records for all students.
- Maintains accurate attendance records for all students.
- Reports attendance information, midterm deficiencies, and final term grades to the Student Records Office in the manner and by the dates specified.
- Participates meaningfully in student retention and completion initiatives.
- Operates within the organizational structure and policies of the College.
- Attends departmental, divisional, and professional development meetings and other College activities as required.
- Attends graduation ceremonies and assists as requested.
- Assists the divisional dean, assistant dean, and/or program director/coordinator in maintaining an inventory of appropriate educational supplies and equipment.
- Maintains proper housekeeping and safety rules in laboratories and classrooms.
- Maintains security of College property.
- Serves on College committees.
- Performs community service including serving on and working with community organizations, area agencies, and /or advisory committees.
- Maintains professional relationships with students, peers, and staff to promote competence, education, and training related to program.

REQUIRED QUALIFICATIONS:

- Bachelor's Degree in Information Technology, Computer Science, or related area.
- Possession of at least one industry certification (non-expired) from: EC-Council, CompTIA, Linux, or CISCO Security, and willingness to obtain the certifications required in the program within 3 years.
- Cisco Academy credentialed to teach the following courses: Introduction to Networks, Routing, Switching, and Wireless, and Security+, or willingness to obtain certifications prior to teaching the respective CISCO courses.
- Willingness to obtain additional certifications, especially those related to Cyber Security.

PREFERRED QUALIFICATIONS:

- Master's Degree in related field
- At least 3 years of Information Security experience
- Certified Information Systems Security Professional (CISSP) certification
- Knowledge of SQL and programming languages, such as JavaScript, C++, C#, and Python
- Cisco Academy credentialed to teach the following courses: Scaling Networks, Connecting Networks.
- College teaching experience

COMPETENCIES:

- Experience with proprietary and open source network and server technology.
- Strong networking and programming skills, including: conducting network reconnaissance, exploiting software, hacking into wireless networks, launching DOS attacks, evading firewalls and intrusion detection systems.
- Previous penetration testing experience and familiarity with commonly used tools and tactics.
- Familiarity with cyber security threats, defenses, motivations and techniques.
- Knowledge of the functions of security technologies.

We offer a competitive wage and benefit package that includes health/dental/vision insurance, state retirement system, tuition remission, and much more.
