Nursing Clinical

NEEDED FOR SUMMER 2026

North Central State College is seeking adjunct faculty to teach the following for Summer semester 2026, May 23 through August 1, 6:30 AM – 2:30 PM

Fundamentals of Practical Nursing (PNUR1012)

Course Description: This introductory course begins the study of the nursing process as it relates to meeting basic human needs of individuals in all age groups. Emphasis is placed upon principles of nursing care, performance of safe nursing measures, development of observational skills, and recording. Communication methods and nurse-patient relationships, health and health care organizations, and the role of the practical nurse as a member of the health care team are explored. Emphasis is placed upon increasingly complex principles of nursing care and performance of safe nursing measures as the semester progresses.

First three weeks are in the lab and then move to the acute care units in the hospital setting which are utilized for clinical rotation to integrate medical-surgical nursing theory with practice.
