Medical Director/Adjunct Faculty Respiratory Care Program

North Central State College is accepting resumes for a Medical Director/Adjunct Faculty for the Respiratory Care Program.

Essential duties/responsibilities include but are not limited to the following:

Medical Director

- Provide competent medical guidance, and assist Program Director and Director of Clinical Education in ensuring the didactic, laboratory and supervised clinical instruction meet current practice guidelines.
- Be a member of the Advisory Committee. Meet twice/year or as needed for special circumstances.
- Interact with students on a regular basis.

Adjunct Faculty

- Leads RESP 1270, Physician Seminar I (Spring semester) RESP 2470, Physician Seminar II (Fall semester senior level) with weekly lectures. This interaction with the students will meet the CoARC accreditation standard for physician interaction with students.

Required Qualifications:

- The MD must be a licensed physician and Board certified (as recognized by the American Board of Medical Specialties (ABMS) or American Osteopathic Association (AOA)) in a specialty relevant to respiratory care.
- A completed CoARC Curriculum Vitae Outline for Program Faculty (available on the CoARC website) can be used as a curriculum vitae.
- The CV or CoARC CV Outline Form must include documentation of the clinical site(s) where the physician is credentialed.
- Documentation confirming that a specialty credential is both valid and current can include a copy of the credential or a Credential Verification Letter from the appropriate credentialing agency.
- Documentation of current licensure can include a copy of the license or a License Verification Letter from the appropriate licensing agency.
