

Adjunct Faculty – Nursing

NEEDED FOR SPRING SEMESTER 2025

North Central State College is seeking adjunct faculty to teach the following for Spring semester 2025, beginning January 13, 2025.

<p>Intermediate Concepts in Nursing (RNUR 2030)</p> <p>This course is designed to assist the student to integrate and build on concepts and skills learned in previous nursing courses. Emphasis of study is upon utilization of the nursing process to maintain and/or restore optimal level health for individuals who present immediate and complex nursing needs. Critical thinking will be utilized in the exploration of theoretical content and clinical experiences. The focus of study is on the stress-adaptation process as it relates to the basic human needs of nutrition and elimination, safety and security, oxygenation, activity and rest, and mental health and behavioral adjustments. Health promotion in growth and development is a strong component of the course. Skills of self-evaluation, organization, discharge planning and referral will be developed. Knowledge regarding therapeutic communication, diet therapy, pharmacology, developmental levels/tasks, community health and resources, culture, and ethical/legal boundaries are integrated into the course. Clinical experiences are planned to work with children, adolescents, young adults and child-bearing clients.</p>	<p>OhioHealth, Mansfield</p> <p>Tuesdays</p> <p>6:30 am – 6:00 pm</p> <p>Dates are: Jan 28, Feb 2 & 11; March 4, 18, & 25; & April 8, 15, & 22</p>
<p>Advanced Concepts in Nursing II (RNUR 2050)</p> <p>This course is designed to assist the student in integrating and expanding concepts and skills learned in previous nursing courses. Critical thinking will be utilized in implementing the nursing process to maintain and/or restore optimal level health and behavioral adjustment for individuals with complex nursing needs. Theoretical content and clinical experiences will focus on the stress-adaptation process as it relates to the basic human needs of mental health and behavioral adjustment, oxygenation, nutrition and elimination, and safety and security. Skills of self-evaluation and work organization will be developed. Knowledge regarding basic and therapeutic communication concepts, diet therapy, pharmacology, developmental levels/tasks, community health and resources, culture, and ethical/legal boundaries are integrated in the course times.</p>	<p>University Hospitals Samaritan (Ashland)</p> <p>Tuesdays</p> <p>6:30 am – 5:00 pm</p> <p>Starting Jan. 21st Ending in April</p>

Qualified applicants shall have:

- BSN degree
- 2 years' experience in medical-surgical nursing
- An Ohio or Multi State unencumbered RN license
