

RN Adjunct Faculty Nursing Clinical & Labs

NEEDED FOR SPRING 2026

North Central State College is seeking adjunct faculty to teach the following for Spring semester 2026

<p>Advanced Concepts in Nursing II (RNUR 2030)</p> <p>This course is designed to assist the student in integrating and build on concepts and skills learned in previous nursing courses. Emphasis of study is upon utilization of the nursing process to maintain and/or restore optimal level health for individuals who present immediate and complex nursing needs. Critical thinking will be utilized in the exploration of theoretical content and clinical experiences. The focus of study is on the stress-adaption process as it relates to the basic human needs of nutrition and elimination, safety and security, oxygenation, activity and rest, and mental health and behavioral adjustments. Health promotion in growth and development is a strong component of the course. Skills of self-evaluation, organization, discharge planning and referral will be developed. Knowledge regarding therapeutic communication, diet therapy, pharmacology, developmental levels/tasks, community health and resources, culture, and ethical/legal boundaries are integrated into the course. Clinical experiences are planned to work with children, adolescents, young adults and child-bearing clients. Clinical experiences are planned in community agencies with preceptors. Some evening clinical experiences may be scheduled during the semester. Group leaders are expected to make clinical assignments the day prior to clinical experience.</p> <p>Qualified applicants shall have:</p> <ul style="list-style-type: none"> • BSN degree • 2 years' experience in OB nursing required for OB clinicals; previous pediatric experience for Peds clinical recommended but not required (if no pediatric experience, then 2 years' experience in medical-surgical nursing) • An Ohio or Multi State unencumbered RN license 	<p style="text-align: right;">Clinical Sites Available:</p> <p>OB Clinicals:</p> <p>Knox Community Hospital</p> <ul style="list-style-type: none"> • 1/12/26 – 4/27/26 • Day shift/time TBD <p>Ohio Health Mansfield</p> <ul style="list-style-type: none"> • 1/12/26 – 4/27/26 • 7:30 AM – 4:00 PM <p>Pediatric Clinical:</p> <p>Dale Roy School (Ashland)</p> <ul style="list-style-type: none"> • Monday & Tuesday, 7:50-2:15 (can do one or both days) • Monday dates: 1/26, 2/2, 2/9, 2/23, 3/2, 3/16, 4/13, 4/20 • Tuesday dates: 1/27, 2/3, 2/10, 2/24, 3/3, 3/31, 4/7, 4/14
<p>Health Alterations I Lab (RNUR 1052)</p> <p>This course will continue the application of nursing care concepts, critical thinking, clinical judgment, and decision making in care of the adult client. Students will build upon foundational knowledge established in previous coursework. Emphasis is placed on the exploration of chronic health conditions and understanding of the nursing process. Students will apply the roles and responsibilities of the developing nurse, collaborating with the healthcare team to plan evidence-based care using the nursing process. Focus is placed on basic human needs, restoration of wellness therapeutic communication, health maintenance, promotion. Clinical rotations integrate emerging medical-surgical knowledge into the promotion of safe, client-centered care.</p> <p>Qualified applicants shall have:</p> <ul style="list-style-type: none"> • BSN degree • 2 years' experience in medical-surgical nursing • An Ohio or Multi State unencumbered RN license 	<p style="text-align: right;">Labs Available:</p> <p>Section 03 1/12/26 – 2/27/26 (7 weeks) Tuesdays 8:00 AM – 11:50 AM</p> <p>Section 04 1/12/26 – 2/27/26 (7 weeks) Tuesdays 12:30 PM – 4:20 PM</p>
