

Radiological Sciences

Faculty/Academic Clinical Coordinator

Health Sciences Division

Full-Time (9-Month Academic Appointment)

North Central State College is seeking a dynamic, student-centered educator to join our Health Sciences Division as a Radiological Sciences Faculty member. This is a full-time, 9-month instructional position responsible for delivering high-quality instruction in radiography across classroom, laboratory, and clinical settings.

This role is ideal for a credentialed radiologic technologist who is passionate about developing skilled imaging professionals—combining technical expertise, patient care, and critical thinking to prepare students for success in today's healthcare environment.

This position follows a Fall/Spring contract schedule (off during Summer semester) and begins Fall Semester 2026 (start date: August 13, 2026).

What You'll Do . . .

You'll play a key role in delivering high-quality instruction and supporting student success across a diverse student population, including those pursuing transfer pathways.

Key responsibilities include:

- Maintains minimum of 15 credit/18 contact hours of classroom, clinical and/or laboratory instruction per term and reflects a 40-hour work week.
- Meets with all classes as scheduled and provides the full component of instruction.
- Provides appropriate assistance and supervision to students in all classrooms, clinicals and/or laboratories.
- Delivers instruction based on the learning objectives and course outcomes found in the official College syllabus.
- Develops and maintains appropriate course materials to be distributed to students.
- Maintains current knowledge and skills in the faculty member's discipline and in teaching strategies.
- Holds at least five (5) office hours per week for student consultation and advisement.
- Maintains accurate academic and attendance records for all students.
- Orients and onboards students into clinical facilities
- Maintains clinical documents on cloud-based clinical reporting system
- Reports attendance information, midterm deficiencies, and final term grade to the Student Records Office in the manner and by the dates specified.
- Operates within the organizational structure and policies of the College.
- Attends departmental, divisional, and professional development meetings and other College activities as required.
- Attends graduation ceremonies and assists as requested.
- Assists the divisional Dean, Assistant Dean, Program Director and/or Program Coordinator in maintaining an inventory of appropriate educational supplies and equipment.
- Maintains proper housekeeping and safety rules in classrooms, clinicals and/or laboratories.
- Maintains security of College property.
- Serves on College committees.

- Performs community service including serving on and working with community organizations, area agencies, and /or advisory committees.
- Maintains professional relationships with students, peers, and staff to promote competence, education, and training related to program.

What We're Looking For:

Minimum Qualifications:

- Associate's degree in Radiology required; Bachelor's degree in any field must be completed within 24 months of hire.
- Current ARRT certification (R.T.)(R)
- Active, unencumbered state licensure (or eligibility)
- Minimum of two (2) years of recent clinical experience in radiography
- Experience with digital imaging systems and radiographic equipment

Preferred:

- Master's degree in any field
- At least one year's teaching or clinical instruction experience
- Familiarity with accreditation standards (e.g., JRCERT)
- Strong commitment to student engagement, retention, and success
