

WANTED: WORKFORCE DEVELOPMENT INSTRUCTORS

Interested in helping to develop North Central Ohio's next generation of highly skilled workers?

Looking for an opportunity to pass along your knowledge and skills to North Central Ohio's workforce?

Looking for an opportunity to keep active and involved in developing North Central Ohio's workforce without a major time commitment?

If you have experience in . . .

Manufacturing
Automation
Electronics
Machining
Management

. . . we would like to talk to you!

We are looking for workforce instructors - people with experience in business and industry to share their knowledge and skills with others.

Paid positions. Major flexibility. Pick your assignments.

Come join our Workforce Training team.
