President’s College Update

For period March 12, 2018 to March 23, 2018

* Submissions for next update are due Friday, April 6, 2018
Business, Administrative & Student Services

Controller
- Presented "Budget 101" to the Management Advisory Council
- Worked on grant budget information for budget submissions
- Looked at Student Finance Self Service with IT

Facilities Management

Good News
- The furniture move from the Urban Center into the Kee Hall rotunda was completed this past week.
- The move of all the furniture from the Urban Center to various locations throughout the college is complete.
- Facilities has completed Controlling Board Request release for the remaining Cyber Security Rapids grant funds. Equipment for the Cyber Security Lab will be ordered once the CBR has been approved.
- The RFP for the new radiology equipment is out for bid.
- Facilities is working with Amanda Sheets to provide information to set up a LPN lab at the Crawford Success Center.

Goals
- Facilities will be finishing the RFP for the Cameras and Wireless Access point wire installation within the next two weeks. Once the RFP is complete the college will proceed with an invitational bid for the installation of the cameras and wireless access points.
- Facilities will be working on the contract for the Roofing Contractor. The Controlling Board release is scheduled for April 4.

Human Resources

- Summer hours (10-hours, Monday through Thursday) will be for the period of 5/14/18 to 7/27/18. Regular schedule will resume 7/30/18.

Goals
- Current position searches underway:
Information Technology

**Kehoe Center Network Outage:** Within the last week the IT department experienced a network outage at the Kehoe Center in the evening. The network was brought back online after a rogue configuration was corrected on a network switch in one of the networking labs.

**VPN Service:** The IT department has been monitoring intermittent connectivity issues with the College’s VPN service. To remediate the connection issues the IT department setup a temporary server to provide the service.

**NCSC and Ohio Health Email Issues Update:** Ohio Health has provided email accounts for the clinical coordinators for each program in the Health Science building. The web based email system allows information that is emailed to Ohio Health to be encrypted.

Accomplishments

**Computer Labs Updated:** The IT department has been updating the computer labs with the latest updates from Microsoft. Software applications on the computers were updated as needed.

**New Network Switches for Kehoe Center:** New network switches have been installed at the Kehoe Center. These switches will be able to supply power over Ethernet to the phones and new wireless access points.

Goals

**Air Conditioning for Kehoe Center MDF:** The IT department is working with facilities to get a separate air conditioning unit for the fourth floor MDF (main data facility).
located at the Kehoe Center. Presently during the winter months the door to the MDF room has to remain open because of the heat produced from network equipment.

Institutional Research

**Good News**

- Have generated summary reports by staff advisor showing mid-term cum GPA for caseload, including breakouts by course. Working with advising to develop nudge strategies based on GPA range.
- Finished gathering data and analysis for RNUR, PNUR, VCMT and Disability Services program review.

**Accomplishments**

- Added onto to “lead” lists for Choose Ohio First grant by focusing on former CCP students that graduated high school and are not enrolled anywhere in SP2018.
- Worked with Marketing to update online data releases for all Title IV certificates.
- Did large recode of data to make it easier to do trend reports over five administrations of the Community College Survey of Student Engagement.

**Goals**

- IPEDS spring data due April 11.

Financial Aid Office

**Good News**

- The annual NC State Foundation scholarship selection process came to a climax this week. Selection committee members met to choose who among our students would receive scholarship funding for the 2018-2019 academic year.

- We have seen an increase in the number of ’18-’19 verification documents coming into the office. This translates into more students being awarded aid.

- **BREAKING NEWS:** Both the House and Senate have passed omnibus spending legislation. Included is increased funding for Pell, SEOG, and work-study. Also, the ban on sharing information with scholarship providers is being lifted. The ban, had it remained, would have hampered organizations such as the Richland County Foundation in their scholarship selection processes.
Accomplishments

- There is much work needed to award students selected for NC State Foundation scholarships. The selection meeting held this week is only one step in the scholarship awarding continuum.
- Students were dropped from classes this week for non-participation. This often results in a change of financial aid eligibility and a lot of manual aid re-processing for those being dropped.
- Colleges must renew their contract with the federal government to participate in federal aid programs every six years. This is our year, and our re-application materials were submitted this week.
- Jim is spending much time re-writing the financial aid office policy manual.
- Jim met with Barb Keener to explore how tutors can help with the FAFSA submission process.

Goals

- Amanda will continue to amass materials needed for a State of Ohio review of our veterans benefits certification process.

Ralph Phillips Conference Center

Good News

- Ohio Health Trauma Services will be holding “Stop the Bleed Training” at the Kehoe Center on 3/31/18. Registration is open to the public
- International Dyslexia Association is to hold the Central Ohio Branch Conference at the Kehoe Center on 4/21/18. Registration also open to interested parties

Accomplishments

- Fab Lab has finished a plaque to honor the family that donated the antique table to the Kehoe
- Items from the Kee Hall renovation were picked up to utilize in the Rentals Department

Goals

- Continue preparations for Commencement, Graduate Picnic, Hall of Excellence and others

Child Development Center

Good News

- Completed the Early Head Start grant application and budget. Submitted to our Governing Board and Policy Council for review and vote. A very special thank you to Melanie
Reynolds, April Thompson, Lindsey Saltz, Michele Schaad and Sam Renfroe for contributing and supporting the project.

Ohio’s Tiered Quality Rating and Improvement System, Step Up To Quality, reviewed and approved our annual report to maintain a 5-Star Award! Our star rating expiration is March 2019. Our program will have the opportunity to enter a new five-year project in 2019.

The Child Development Center and the University of Cincinnati online Early Childhood Education will collaborate to provide a 14-week practicum for Early Childhood Education students. The ECE students need an experience in infant/toddler early care and education. The collaboration will begin in May with two practicum students.

Accomplishments

Seven individuals from our program that work closely with infants, toddlers and their families will complete the 12-hour Ohio Approved innovative course work through ZERO to THREE. The Critical Competencies for Infant-Toddler Educators is a Micro-Course Curriculum, Supporting Cognitive Development. ZERO to THREE’s mission is to ensure that all babies and toddlers have a strong start in life.

The CDC provided 560 lab hours for students from North Central State College during spring semester. The students were from Human Growth & Development, Occupational Therapy, Practical Nursing, Intro to Child Development and ECED student teaching.

The CDC continues to enroll children and their student families into our Early Head Start and childcare. This is a significant accomplishment for NCSC and OSU-M students knowing their child/children will be close and cared for in a quality setting. Now the student/parents can work to attain and meet their educational goals.

Goals

Submit the Early Head Start grant application and budget by March 29 to the Office of Head Start.

Student Services

Admissions, Recruitment, and Gateway Services

Good News

The following activities were from March 12th to March 23rd

- Ashland County College Fair
President’s College Update

- GRADS (Graduation, Reality and Dual-role skills) Campus Visit
- Crestview High School visit
- Plymouth High School visit
- Mansfield Christian High School visit
- Norwalk St. Paul Meeting
- Townsend Community visit
- Mansfield Business Expo
- 20 individual campus visits

Accomplishments

- The first EASE emails are scheduled to go out next week. Post cards are complete and are scheduled to go out on April 6th.
- About 3,000 post cards were mailed out to prospective student regarding the upcoming Preview Days.
- Began training on Zingle, a newly purchased “texting” system that will be used to communicate with current students and prospective students.
- Please encourage summer enrollment as a means to achieving a degree faster.
- Most of the Kee Hall renovation project is done with just a few minor things left to do.
  - We already have more staff and visitors who are using the new space

Goals

Review and make adjustments to the Tuition Freedom Scholarship program. Review new and more effective ways to contact and communicate with prospects and applicants.

Student Success Center and Transition Services

Good News
- Paula Waldruff has joined the SS&TS department as the Career Pathway Coordinator. She will officially transition to her new role on March 26. Her office is Room 102 and she can be reached at #4786. We are extremely excited to have Paula join our department!

Accomplishments
- Advising Visits: 259 visits completed during the period of 3/01 – 3/15/2018 (includes email outreach contacts)
- Testing Visits: 50 visits completed during the period of 3/01 – 3/15/2018
- Disability Services Visits: 25 visits completed during the period of 3/01 – 3/15/2018
General Applicant (Summer/Fall) Nudge Calls: 120 personal phone calls placed to new applicants during the period of 3/01 – 3/15/2018

Advising Week Campaign: 9 classroom visits conducted during March 19 – 23. The goal is to increase awareness of the importance of advising and to increase the numbers of current students taking advantage of priority registration.

Goals
Connect to College (New Student Orientation):
- WED/APR 4 @ 9 AM – 12 PM AND 1 – 4 PM
- MON/APR 9 @ 9 AM – 12 PM AND 1 – 4 PM
- TUE/APR 17 @ 1 – 4 PM
- FRI/APR 27 @ 9 AM – 12 PM

Review and revision of Academic Probation Policy: Current policy being reviewed as well as current implementation and practice. Suggested revision of policy and draft of procedure will go to Success Committee in time for April 17 meeting.

Email Outreach Campaign to Current Advisee Caseload: Success Coaches sending positive behavioral “nudges” at Week 12 of semester to influence student mindset and affect positive behavior change. This is a new effort/strategy.

Advising Week Campaign: Classroom visits scheduled and campus-wide outreach conducted March 19 – 23

“Mobile” Priority Registration Event: Campus-wide outreach event scheduled for March 28 – 30 (location: Health Science parking lot) and April 2 & 3 using the college’s mobile unit.

Enrollment Process “Nudge” Calls – Complete phone calls and direct recently accepted students who plan to attend spring term to the next step in enrollment process.

Fresh Start Project: Conducted initial exploration of data and discussion of outreach to students who have been academically dismissed or stopped out due to academic issues. Preparing materials to send out to first round of students and identifying internal business processes and procedures.

Registrar

Administrative withdrawals (WNP) due to non-participation in classes was processed. 69 students were dropped from one or more courses. 106 WNP grades were assigned. Students were mailed notifications.
Mid-term deficiency letters were mailed out to students. 541 students who received grades of less than a “C” were sent notification letters. Spreadsheets were sent to liaisons and advisors for follow-up action. There were 780 reported grades that were less than a “C”.

**Accomplishments**

A contract to provide document-imaging services through a company called Docufree was approved. This will provide Student Records with a much more efficient method to archive student information. 10 boxes of student files will be sent to the company next week for initial imaging services. The imaging of student files will replace our old microfilming process.

**Goals**

The last day to withdraw from regularly scheduled spring semester classes is April 9.

---

**Title III**

**Good News**

- Advising by liaisons – 3/5-3/16/2018
  - One-on-one advising sessions – 253
  - Outreach / group advising – 73
  - Total – 326 student contacts by 3 liaisons

- Shared the Best Practices on Advising Documentation with the FT and PT faculty and staff. This was reviewed by the Student Success Team, Faculty Caucus, Asst. Atty General’s office, and the President’s Cabinet. Deans were asked for their input on distribution and content.

**Accomplishments**

- The grant goal of reducing the advisor/advisee caseload to 300 (or fewer) has been achieved. At the beginning of the term, the assigned advisees for the liaisons were as follows:
  - **Total**
    - Brandel – 176
    - Brandon – 357
    - Brian – 218
  - **Active**
    - 138
    - 246
    - 165

This allows them the time to work on academic plans for each student as well as be very proactive in contacting the student about progress, STAR alerts, and academic plans. Monitoring will continue throughout the grant to maintain the numbers.
Goals
- At the request of the Senior Project Manager in the Dept. of Ed in D.C., we will be having a brief meeting in April to give her an overview of the grant and our status of objectives.
- Will be sending out a survey created by Dr. Walters to the Student Success Center employees to gather their input on the grant.
- Work on ways to get faculty to document more of their advising contacts.
- Continuing to gather/evaluate data for the annual report.
- Continue to encourage faculty to advise and record meetings with students since the goal of 30 faculty actively advising last year fell just shy. This year’s goal that 40 faculty are advising by Sept. 30 is still to be achieved.

Academic Services

Academic Services Director

Good News

The Kehoe and Crawford Centers both received positive reviews from the Higher Learning Commission’s peer reviewer. The reviewer was on campus March 5th and met with many faculty, students, and staff. Several of the comments from the reviewer after the faculty, student, staff, and administration interviews are pasted below.

“In meeting with administrators at various levels, it was apparent that the institution makes data driven decisions. They review current costs and make predictions of future costs based on historic needs as well as patterns in growth. There is a lot of interdepartmental communication. For example, when meeting with the Directors of Facilities and Information Technologies, they explained how closely they now work together because renovations and new constructions require lots of technology enhancements.”

“In meeting with faculty and administration, it is evident that the same processes are applied to all locations regardless of program. All faculty have the ability to contribute to instructional decisions and many faculty teach at multiple locations.”

“Administration and faculty described the overall management of and approach to instruction at the additional locations as the same as at the main campus.”

The Higher Learning Commission and the Ohio Department of Higher Education have approved the delivery of the Practical Nursing Program in its entirety at the Crawford Success Center. Kudos to Amanda, Kelly, Melinda, and everyone else who helped!

Accomplishments

The courses listed below were submitted for OTM, TAG, CTAG this month. This is the largest one-time submission to the transfer network the college has ever done. Kudos to all faculty, Deans and Lori Zeigler! Yes, I put Lori in bold 😊.

Just in case Tom Prendergast and Jim Phinney do not mention their most recently submitted, extremely important reports for keeping the college open and compliant with all federal regulations; the AIDU (Annual Institutional Data Update) report, as well as the renewal of our PPA (Program Participation Agreement) were both submitted within the last two weeks. Academic Services assists with these reports, but IR and FA do all the heavy lifting.

Goals

- The Federal Compliance Report is due before our September visit from the Higher Learning Commission.
- The college must also submit a CQR, Quality Highlights Report before the September visit from the Higher Learning Commission.
- September 17, 18, and possibly 19 we will be hosting the HLC reviewers on campus. Prior to this visit we will be visiting departments to brief each area on what to expect.

Business, Industry, and Technology

Good News

- We made it through midterms, even with persisting network connectivity issues.

Accomplishments

- Linda Hess and Jim Simmering have worked out an agreement with Amatrol to allow students that achieve a 78% minimum passing score in certain Industrial Technology courses to achieve professionally recognized competency certificates.
- Planning has begun at the detail level to establish another cohort of College Now Business at Ashland University Dauch School of Business. This is a partnership with Ashland University, NC State, Ashland County West Holmes Career Center, and Pioneer Career and Technology Center.
Health Sciences

Good News

- The Crawford Success Center has been approved as an additional location by the Ohio Department of Higher Education to offer the Practical Nursing certificate. Recruitment is in process for a Fall 2018 cohort.

- Justin Tickhill presented on the progress of the Assessment Committee work on soft skills at the college annual advisory committee meeting.

Accomplishments

- Completed a review and layout of a Practical Nursing lab at the Crawford Success Center in coordination with Dean Schaad.

- Mailed out program acceptance letters for the LPN, RADS, and RESP cohorts for Fall 2018.

- Spring advisory committees provided valuable input to the health science programs.

Goals

- To continue to promote health science program applications to meet full capacity for all programs for the Fall 2018 Cohorts.

Liberal Arts

Good News

- A lovely Chinese cultural arts program, “Whispering Dreams of a Spring Breeze,” was performed by faculty and students from Yanshan University, PRC, March 20. We are grateful for the technical support provided by Major Price, Kelly Bussart, and Eric DeSpain, and the coordination of the luncheon meeting by Kimberly Lybarger.

Accomplishments

- Honors students attended a workshop for academic poster preparation presented by Chris Barker in the Fab Lab at the Kehoe Center.

Goals

- Finalize curriculum changes for the Education program, and submit for review by the Curriculum Committee and for TAG approval by ODHE.
Finalize fall courses offered for the Liberal Arts cohort at Galion High School.

Crawford Success Center

Good News
- Hosting a TEAS Test Prep Workshop on 3/24 from 9:00am – 12:00pm.
- Six Accuplacers on the schedule within the next two weeks.
- The CSC staff is making personal phone calls to invite current students who need to complete, have not successfully passed and/or is scheduled to take the TEAS test to invite them in to join us for out TEAS Test Prep Workshops on 3/24 or 4/7.
- Advertising the upcoming Supervision II Training April 23 and 24.

Accomplishments
- Hosted ACT testing for Colonel Crawford High School 3/20
- Attended the Leader and Me programing event at Bucyrus Elementary School
- Rescheduled the high school Colonial Crawford speaking engagement (cancelled due to snow day).

Goals
- Plan site visits of local health care providers marketing the LPN program.
- Creating the 3 presentation series for Bucyrus High School. Topic focus: Workforce Ready, College Ready Checklist and Mindset/Ambition
- Collaborating efforts with the Crawford Foundation and the NCSC Foundation to plan an evening event for June 7th from 5:30-7:30 “Celebrating Student Success at the CSC.”

Public Affairs

Marketing, Public Relations & Creative Services

Good News
- Hall of Excellence is Friday, April 13th at the Kehoe Center in Shelby.
Accomplishments

Web updates continue to be made. Thanks to Teri and Maggie for working on as many as possible.

Goals

Please forward any photos that might represent the first 50 years of NC State, students, faculty, events, etc. We are preparing the 50th anniversary materials now.

Promoting

- Online degrees and certificates
- Business cohort in Ashland
- LPN classes at the Crawford Center
- CCP/TFS

Grants & Government Relations

Good News

Completed and submitted the proposal for Changing Campus Culture related to sexual violence. We worked with OSU-M and the Domestic Violence Shelter. Last year, we received a $25,000 to pay for programming provided to students. We applied for $35,000 this year.

Learned we will receive an additional $54,000 to be used to fund apprenticeships over the next two years, bringing our total grant award to $147,000 as a sub-recipient in a U.S. Department of Labor grant with the Ohio Department of Job & Family Services.

Accomplishments

Worked with Justin Tickhill and Jason Tucker to submit additional letters of commitment and paperwork for a National Science Foundation Advanced Technological Education grant.

Goals

Finish Workforce Development Loan Fund applications. We seek funds in three areas: Nursing (LPN, and RN), MTOM and IT Networking. We received support from employers for the project. We can ask for up to $500,000 to be spread over three degree areas, with a max of $250,000 per program.

Submit short-term certificate proposal before March 30. Working with Dr. Greg Timberlake and Linda Hess to determine which certificates to include in the application for up to $91,000 for tuition and fees funds for students.
Prepare and submit proposal for the NSF S-STEM grant, providing scholarships for STEM majors. A proposal is due March 28. We are working with Eastern Michigan University for a consortium project. A project is under way that will focus on Engineering Technology and IT students.

**Foundation**

**Good News:**

North Central State College Foundation received notification that a gift request for $75,000 to fund the new LPN program at Crawford Success Center will be awarded in full.

The Foundation has exceeded the FY18 Emerald Club target of $225,000.

The 2018 Hall of Excellence is on Friday April 13th and is sold out.

**Accomplishments:**

NC State College Foundation and the Scholarship Committee selected and awarded 140 scholarships for the FY19 school year, totaling over $170,000.

**Goals**

The annual Employee Giving Campaign kicked off March 26 with a goal to have 50% of employees participate. Donors that make a new $100 donation will receive 1 free Cedar Point ticket. (payroll deduction is available for full and part time employees, example $3.75 a pay = $100). Donors giving $50 or more will receive a chance to win a family 4 pack of Cedar Point tickets. All employees that donate to the annual employee campaign will be entered to win a “Fun Basket” full of goodies. The campaign concludes April 27, 2018.

**President’s Office**

**Accomplishments:**

On Thursday, March 15th, President Diab attended the State of Ohio Articulation and Transfer Oversight Board meeting held in Columbus to review/develop statewide articulation and transfer policies and practices.
On Thursday, March 22nd, President Diab conducted a meeting of the Joint Advisory Committee at 5:30pm in the Ralph Phillips Conference Center and was joined by Assistant Professor, Justin Tickhill in discussing the actions the College has taken relative to the input from last year’s Joint Advisory Committee meeting. Following the presentation, President Diab solicited further input from committee members on additional areas of the College needing some attention/improvement.

**Goals**

- Preparing for the President’s Spring Open Forum on Thursday, March 29th at 3:00pm in the Health Sciences Auditorium.
- Working to coordinate/plan for final budgetary expenditures for the President’s Office for the remainder of the fiscal year.
- Planning for the May 11th Graduation Ceremony is underway with 7 weeks until the event.
- Working on invitations and planning for the upcoming breakfast meeting with members of the faith-based community representing Ashland, Richland, and Crawford counties.
- Working to establish a Turnover Folder and Desktop Procedures for the activities of the President’s Office.
- Continuous improvement and implementation on the Pathways Model
- Preparation for HLC visits
- Continuous scanning of federal and state regulation changes impacting our college (such as CCP, and Reauthorization of the Higher Education Act)
