

3357:13-13-01 Graduation Requirements Policy

- (A) The College awards the Associate of Applied Business (A.A.B.), Associate of Applied Science (A.A.S.), Associate of Technical Studies (A.T.S.), Associate of Arts (A.A.), Associate of Science (A.S.) and Bachelor of Applied Science (B.A.S.) degrees to qualified students who are recommended by the faculty and approved by the appropriate academic dean.

- (B) A student is eligible to become a candidate for a bachelor degree, an associate degree, or a certificate when the student has satisfactorily completed all requirements of the program in which he/she is enrolled. For specific graduation requirements of each degree type, see Graduation Requirements Procedure 13-011.

Effective: February 26, 2019
