

3357:13-14-33 Dean's List

- (A) A student who earns a 3.50 quarterly grade-point average or better without any grade less than "C-", with no incomplete grades or not-reported (NR) grades, and who is taking 12 or more credit hours, will be recognized by placement on the Dean's List, which is published on the College's web site after each quarter. Students who graduate with a 3.50 grade-point average or better in all courses taken will graduate with honors. For the actual commencement program, the cumulative grade-point average for the quarter immediately preceding the quarter in which the student is graduating will determine honors recognition in the program.
- (B) Part-time students who have earned a total of 12 or more quarter hours of credit with no grade below "C-" and non-resolved incomplete grades in any academic year (Summer, Fall, Winter, and Spring), and who have achieved a GPA of 3.5 or above for that academic year, will be recognized on the Dean's List at the end of Spring quarter each year. Eligibility for this distinction will be limited to students who have not attended full-time for any quarter during the academic year. Students must attend at least two quarters during an academic year in order to be eligible for consideration for that year. No letter is mailed and your name will not appear on any published "Dean's List" if you filled out a "Withhold Directory Information" form.
