

3357:13-16-04: Determination of Faculty Qualifications

- (A) North Central State College adheres to the Ohio Department of Higher Education and Higher Learning Commission criteria and guidelines for determining qualified faculty. When NCSC indicates that a faculty member is qualified by means of an offer of employment, it is asserting its confidence in the faculty member's content expertise along with the ability of the faculty member to help position students for success not only in a particular class, but also in their academic program.
- (B) Guidelines established in the procedure (16-041) apply to all faculty members whose primary responsibility is teaching, including part-time, adjunct, dual credit, and temporary.

Effective: June 26, 2017
