

3357:13-16-40 Employee/Guest Complaint Policy (Other than Discrimination or Harassment)

- (A) This policy does not apply in cases where the employee initiates a complaint regarding discrimination or harassment. An employee filing a complaint regarding discrimination or harassment must follow the college's Discrimination, Harassment, Sexual Misconduct, Stalking, and Retaliation Policy (policy [3357:13-15-03](#)).
- (B) This policy does not cover faculty complaints, which are addressed in Article VI of the current [CBA](#).
- (C) North Central State College encourages employee/guest communication regarding College operations, policies, and procedures and encourages employees/guests to use existing policies, personnel, and departmental offices to express specific concerns.

Should an employee/guest deem that the existing policies, personnel, and departmental offices cannot address his/her specific concern or complaint, and desire further review of his or her complaint, the employee/guest must follow the procedures found in 3357:13-16-401, Procedures for Initiating an Employee/Guest Complaint (Other than Discrimination or Harassment).
