

## 3357:13-18-041 NC State/OSU-Mansfield Posting Procedure

(A) Students, faculty, and staff may post information and notices concerning their organization/ department in areas designated by NC State/OSU-Mansfield administration, such as the bulletin boards in each of the buildings and on the electronic displays in all OSU-Mansfield/NC State buildings.

(B) Guidelines for displaying posters, flyers and announcements:

(1) The Office of Student Engagement or either the NC State Public Affairs Office or the OSU Mansfield Development Office as backup, will stamp and approve postings, including the date that the information should be taken down. Each building monitor will be responsible for putting materials up and taking them down. The date to be removed should be within 24 hours after the date of the event.

(2) Only one notice per event may be posted per board surface. You can contact the Office of Student Engagement for the number of bulletin boards on the entire campus.

(3) Posted material should not cover or obstruct other notices.

(4) Posted material should be of a reasonable size relative to the size of the posting area (5x5, 5x7, or 8-1/2 x 11 preferred).

(5) Table tents are considered a posting tool and also require approval.

(6) Posting is prohibited on all pieces of artwork, elevators, vehicles, bus shelters, trees, furniture & seating, streets & signs, glass surfaces (except postings by the CRC and Union staff within designated areas), doors, painted surfaces, columns, etc. In the case of emergency, the administration of the institutions may post a notice on a door area.

(7) Chalk may be used to post notices on sidewalks, but is prohibited on buildings. Under no circumstances may acrylics, ink or paint be used on any permanent surface.

(8) Campus personnel will remove notices from all student posting areas on a bi-weekly basis. These areas will also be checked regularly to remove dated notices, non-campus related postings and violations.

(C) The electronic signage system was installed to provide items of interest, e.g. timely news and information regarding events, institutional business notifications, as well as security information when necessary, to the Mansfield Campus community.

(1) Users/Authors with access to provide content for display on the signage system, representing both institutions, shall be restricted to both marketing offices and/or their official designees.
