

3357:13-18-21 NC State/OSU-M Driving on Sidewalk Policy

- (A) Motorized vehicles will not be operated upon or parked on Campus sidewalks, walkways, bike paths and trails for the protection of pedestrians and infrastructure. Individuals will be subject to applicable State and Local motor vehicle laws.

- (B) Limited exceptions include Plant Operations & Maintenance Department vehicles & equipment necessary for “maintenance, service and public safety & security” access over and across sidewalks, walkways and bike paths and trails.

- (C) Vendors, contractors and persons providing service, construction or program support for the Campus may request sidewalk access permits only after all other methods have been exhausted.
 - (1) Campus Security will be responsible for developing and operating a program to review access requests and issue permits in consultation with Campus Maintenance and Grounds Department.

 - (2) Access may be limited or rescinded at any time based on safety considerations and conditions.

 - (3) Permittee will be responsible for any damages to the sidewalks, walkways, bike paths and trails; and adjacent landscaping or structures. Rarely will permits be approved between November and March because of weather considerations.

Effective: August 21, 2019
