

Congratulations to our 2020 Choose Ohio First Scholar graduates!

May 2020

While normally we would be preparing to welcome you across the stage as you receive your diploma, we are still celebrating the great accomplishment of your graduation with you now and we look forward to a delayed graduation ceremony in late summer or fall!

We are so proud of what each of you has accomplished to complete your degree. Your determination to continue to the finish line this spring during the rapid change to online learning has been amazing. We are thankful you selected North Central State College for your education and wish you the best as you begin the next step in your education or employment. It has been our pleasure to serve you and we look forward to hearing of your great achievements in the future. Best wishes for a successful future!

Sincerely,
