

## 2020 ATI TEAS REGISTRATION FORM: MAY

The ATI TEAS will be administered virtually through a service called Proctorio. This service requires students to have certain technical requirements (see requirements below) to access and take the TEAS test. When scheduling a test date, please note that there is an additional required login date for a “Dry Run” session that allows the student and the proctor to make sure technical requirements are met and that students are able to access and take the test – **when selecting your date, you are required to login at both dates and times listed.**
