

3357:13-14-16 Academic Major Policy

All students will be required to declare an academic major while registering for their first term at North Central State College. Students who are undecided about a major, but know a general area of interest must choose an academic focus (predetermined cluster of common courses within a discipline group). Students who are undecided about an academic focus will default to the liberal arts focus. See also: [14-161](#) Procedures for Declaring/Changing an Academic Major.

Effective: February 1, 2015

Expires: February 1, 2020

Review Dates: 2/1/15
