POLICY

A. Persons using skateboards, rollerblades, in-line skates, or similar devices on Campus premises are limited to riding upon the sidewalks, crosswalks and bike paths and must yield the right-of-way to pedestrians, bicyclists and motorists.

B. The use of skateboards, rollerblades, in-line skates, or similar devices is prohibited in all other areas, including:

1. roadways;
2. inside any Campus buildings;
3. in any parking lot, garage or construction area; or
4. upon any site furniture, architectural elements, walls, steps, ramps, or site improvements.

VIOLATIONS

C. Any skateboard, rollerblade, in-line skates, or other similar device used in violation of any of the provisions of this policy may be impounded and held by Campus Security.

1. To release a skateboard, rollerblades, in-line skates, or other similar devices the owner must show proof of ownership and pay a \$25.00 fee.

2. Any impounded item held in custody for longer than ninety consecutive days may be disposed.

Rollerblades and Skateboards Policy--Current

Rollerblades and skateboard may be used as transportation on walks throughout campus, if used courteously, respecting the right of way of pedestrians. They may also be used for recreation in parking lot #8 and on the bike path, except when motorcycle classes or other approved activities are being conducted.

Stunting is dangerous to skaters, to campus property, and to bystanders, and is strictly prohibited anywhere on campus. Students in violation of skating rules may be subjected to disciplinary actions. Safety equipment is highly recommended for skaters to provide for personal safety.
