

## ACCUPLACER Instructions for Students – Before Taking the Test

Thank you for choosing North Central State College (NCSC) and working on your next step of enrollment, the Accuplacer placement test. We are excited for you to join our NCSC community!

The Accuplacer placement test is not a pass or fail test. It is important to complete the test using your best effort so you can get an accurate measurement of your academic skills and be placed into the appropriate courses.

Currently our Accuplacer placement test is accessible to you directly online and will be proctored virtually using Zoom (download required). Before you take your Accuplacer test, please read through the following information. Reading through this information ahead of time will ensure that you are able to effectively take the test and avoid any barriers along the way.
