		Professional Interest Elective			2-3
		Professional Interest Elective			3
		Professional Interest Elective			3
		Professional Interest Elective			3
^ Milestone course					<b>Semester Credit Hours</b>
					<b>11-12</b>
<b>TOTAL DEGREE HOURS</b>					<b>122-123</b>

The BSN completion program is a four-semester program with one clinical rotation course which combines work in an agency (your current agency if employed can be used) with online coursework and discussion about your work within the field.

Students may begin non-BSN courses any semester. A minimum grade of 77% is required in BIOL1101, and BIOL1550 to meet prerequisite requirements. A minimum grade of 77% is required in all BSN- RNUR classes in order to meet prerequisite and graduation requirements.

\* Successful completion of a developmental English and mathematics prerequisite requires a grade of C- or above in the course. Developmental English and mathematics course prerequisites can also be attained through placement testing. See the [14-092 Standardized Testing Cutoff Scores](#) chart for specific tests and test scores.

\*\* Mandatory Math Placement - All incoming students will be required to provide ACT scores or take a placement test and based on their scores, students will be placed in appropriate mathematics courses. Successful completion (C- or better) of any math course is required in order to advance to the next higher-level math course.

\*\*\* High school chemistry with minimum C minus (C-) grade or CHEM1010 with minimum C minus (C-) grade; AND ENGL0040, MATH0084 (Minimum grade of C- for all) or qualifying placement test score. If the student has completed BIO121 and BIO122 OR BIOL1730 with a minimum grade of C, then the student is not required to have high school Chemistry or CHEM 1010

^^^ High school chemistry (minimum grade of C- required) or CHEM1010 (minimum grade of C- required) and completion of MATH0084 with minimum grade of C- qualifying math placement score

*The College strongly recommends that students be covered by hospitalization insurance, which can be purchased through a private carrier. To obtain a brochure regarding insurance, contact the Student Success Center. (Rm 103 Byron Kee Hall) or call toll free 888-755-4899, ext. 4761 or locally 419-755-4761.*

**BSN Nursing Core Credits- 31**
