-Canvas access is limited to the academic term in which you're taking your courses. You will not be able to access your courses in Canvas until they are published and the term begins. For example, future enrollments will show Session B courses, but will not be available until the session starts and the courses are published. Check your schedule for course start dates.

-If you cannot access MyNC/Canvas/Student Email, you will need to contact IT Helpdesk (419-755-4734) or access the online help request at <https://ncstatecollege.edu/after-hours-support/> to get your password reset/account unlocked, unless you have previously enrolled in Password Services.
