## UNUSUAL ENROLLMENT HISTORY WORKSHEET

The FAFSA processor has identified you as having an *Unusual Enrollment History* (UEH). This means that you have received federal student aid at more colleges than is customary. Before you can be awarded aid at NC State, the Financial Aid Office (FAO) is required to determine if the reasons for your college attendance pattern are justifiable and are not for the sole purpose of obtaining federal student aid.

The process:

- Complete this worksheet and return it to the FAO.
- Provide the FAO with official academic transcripts from all colleges attended since July 1, 2020.
- The FAO will review your material and may:
  - Determine that your UEH is justifiable and resume the processing of your application for aid.
  - Require additional documentation or processes.
  - Determine that your UEH is not justifiable and deny you federal aid at NC State.
- No aid will be awarded prior to the completion of this review. You are responsible for all charges at the college until sufficient aid eligibility has been established.
