

North Central State College Tutor List

Spring 2024

The Goal of the Tutoring Center is to help each, and every student succeed in their pursuit of higher education. This encompasses everything from help with classes, to help navigating the NC State home page, canvas, and the MyNC page. Everyone is welcomed, and encouraged to come to the Tutoring Center to obtain help on a wide variety of subjects. Furthermore, this service is FREE! This summer tutoring will be held in room 335 in the Health Sciences building. You can also join us online through a Zoom meeting; the link is in the tutor canvas shell. We are happy and willing to help you obtain the best version of yourself. Attached to this is a list of tutors, what they look like, what they tutor, and an E-mail to contact them. You can also call the Tutoring Center at 419-755-4812.

NOTE: Tutors can meet outside their schedule if an appointment is made. To do so, send an email or contact them directly to set up an appointment.

Tutoring Center Goals

- Provide Access
- Support for Success
- Student Resource Availability
