

How to Retrieve your ACCUPLACER Scores

- Go to <https://accuplacer.org>
- Click on **Information for Students** under Student Portal
- Click on **Your ACCUPLACER or TSIA2 Score Report**
- Enter your **Student ID** (exactly as it is shown on your voucher)
- Enter your **First and Last Name, Date of Birth**
- Choose **United States** under Institution Country
- Choose **Ohio** under Institution State
- Enter **North Central State College** under Student Institution
- Click Search
- You will see **“A link to your test results will be emailed to you.”**
- A portion of your email address will be shown on the screen.
- Click **Send Reports**

All fields are required. Refer to instructions if you receive an error.

The screenshot shows the 'Find your Test Results' form and the resulting search page. The form includes fields for Student ID (0112233), First Name (Test), Last Name (Taker), Date of Birth (03/05/2008), Institution Country (United States), Institution State (Ohio), and Student Institution (North Central State College). A 'Search' button is highlighted in yellow. The search result page shows a message: 'A link to your test results will be emailed to you.' Below this, it says 'Student email found. Send results to kse*****@gmail.com'. A 'Send Reports' button is also highlighted in yellow.

- Find the email with the subject **“Your ACCUPLACER Test Results”**.
- Click the **View ISR** button
- Agree to the Privacy Policy by clicking **Accept**
- Click the **View Complete Report**
