

## BILATERAL ARTICULATION AGREEMENT

---

**2025 GRADUATES**  
*Expires on July 1, 2027*

---

**BETWEEN**  
**North Central State College and Wayne County Career Center**

This agreement, entered into for the **2025** graduates, is based on a review of programs of study at **Wayne County Career Center** and the curriculum and syllabi at **North Central State College**.

### Purpose of Agreement

This agreement is designed

- To encourage Ohio technical center and secondary students to pursue a college degree,
- To reduce repetition of mastered competencies between the Ohio technical center or secondary program of study and the college program of study,
- To provide a smooth transition from the Ohio technical center or secondary to college, and
- To reduce the cost of higher education for students and the state of Ohio.

Tech Prep articulation agreements recognize a seamless curriculum pathway that starts in an Ohio technical center or high school, continues to a college certificate or associate degree, and leads to careers in related technical fields.

This agreement enables graduates of **Wayne County Career Center** who successfully complete the academic and technical competencies to receive college credit for courses at **North Central State College** as outlined in Appendix A.

### Eligibility Criteria

Students seeking college credit through this Tech Prep bilateral articulation agreement must meet the following criteria/requirements:

- The student must have completed the Tech Prep competencies (academic and technical) relevant to the North Central State College courses, with a minimum grade as notated on the Instructor Recommendation Form.
- An application and subsequent matriculation to North Central State College must occur within two (2) years of high school graduation date.
- The student must meet all college entrance, general admission and program specific requirements and complete the Accuplacer or ACT assessment.
- The student is responsible to inform college admissions personnel of his/her Tech Prep status and eligibility for articulated college credit and verify that appropriate documentation has been provided to the college by the secondary school.

### Ohio Technical Center/Secondary School Responsibilities

- Ohio technical center/secondary instructors are required to have the appropriate teaching credential as defined by the Ohio Department of Education.
- For the purpose of compliance with state, program or regional accreditation standards, North Central State College reserves the right to review, validate and copy the credentials (e.g., college transcripts and resumes) of the instructors of articulated courses for external auditing purposes.
- The Ohio technical center/secondary instructor(s) will complete an Instructor Recommendation Form for each student upon graduation, which will be maintained in the student's permanent file. An Instructor Recommendation Form must be submitted to the North Central State College Registrar Office in order for credit to be awarded.
- The college and Ohio technical center/secondary school will develop methods of publicizing the agreement to encourage students to take advantage of seamless transitions and advanced placement opportunities.

### Awarding of Credit

- There will be no charge for college credit awarded through this agreement.
- Student eligibility for technical or related credit is primarily determined by Ohio technical center/secondary instructor evaluation based upon predetermined criteria set by the college. In certain cases, record of relevant student external certification, college proficiency testing, review of portfolios, or other forms of assessment may also be required.
- Placement in North Central State College's courses is determined by the student's scores on the college's required placement test(s). Credit is available only for the technical courses specified on the attached list of articulated Tech Prep courses.
- Articulated courses are recorded on the student's permanent records after a student enrolls in and completes a non-articulated college credit at North Central State College.

The administrators and faculty of the program at both levels pledge their commitment and support to continuing this relationship and to promoting these articulation opportunities to the students.

**APPENDIX A**

## Ohio College Tech Prep Bilateral Articulation

Below are the courses available for bilateral articulation, as agreed upon between **Wayne County Career Center** and **North Central State College**. To receive credit at North Central State College, the Ohio Technical Center/Secondary School must submit Instructor Recommendation Form for each student upon graduation, which will be maintained in the student's permanent file.

<b>PROGRAM</b>	<b>COURSE NUMBER</b>	<b>COURSE NAME</b>	<b>CREDITS</b>
<b>Cosmetology</b> <i>Note: The Cosmetology License is required to receive credit.</i>	BURS 2930	Business Related Studies I	10
	BURS 2940	Business Related Studies II	7
<b>Criminal Justice*</b>	CRMJ 1110	Criminal Investigation I	3
	CRMJ 2090	Defensive Tactics	2
	CRMJ 2110	Private Security I	3
<b>Early Childhood Education</b>	EDUT 1010	Introduction to Education	3

*\*Additional CTAG credit may be available. See next page for more information.*

**APPENDIX B**  
**Career-Technical Assurance Guide (CTAG) Opportunities**

Below are all of the approved Ohio Department of Higher Education CTAG courses (CTAN) for North Central State College and the corresponding ODE course requirement. To received credit at North Central State College, the Ohio technical center or secondary student must complete the Career-Technical Credit Transfer (CT)2 Verification of Course/Program Completion form found at <https://www.ohiohighered.org/transfer/ct2/how-to-access-ct2-credit>.

For more information, please refer to <https://www.ohiohighered.org/transfer/ct2/ctags>.

<b>PROGRAM OF STUDY</b>	<b>CTAN NUMBER AND NAME</b>	<b>ODE COURSE REQUIREMENTS</b>	<b>NCSC COURSE NUMBER AND NAME</b>	<b>CREDITS</b>
<b>Agribusiness and Production Systems</b>	CTAGP002 Soil Fertility & Fertilizers	010610 Greenhouse and Nursery Management	AGRI 1030 Soil, Crop, & Greenhouse Management	3
