

# U.S. Citizenship Status Information Sheet

## Frequently Asked Questions Regarding Citizenship

### 1. Do I have to bring in my documentation?

Some students are required to prove their citizenship. You may fax, email or drop off the required documents to the Financial Aid Office. If the document indicates you are eligible for Title IV funds, you will receive a financial aid award letter.

### 2. What documents are acceptable?

Please see the U.S. Citizen Acceptable Documents and Permanent Resident or other Eligible Non-U.S. Citizen Acceptable document sections.

### 3. I have lost my documents. What do I do?

Requests for replacement documents should be made to U.S. Citizenship and Immigration Services (USCIS). Please review their website, [uscis.gov](http://uscis.gov), for further instructions on replacing citizenship documents.

### 4. Am I eligible for financial aid as an undocumented student, or DACA student?

No. Undocumented students, including Deferred Action for Childhood Arrivals (DACA) students and Dreamers, are not eligible for federal student aid.

However, you may be eligible for state or college financial aid. Most states and colleges use information collected on the Free Application for Federal Student Aid (FAFSA) to determine whether you are eligible for aid. Your parents' citizenship status does not affect your eligibility to complete the FAFSA, as the FAFSA does not require parents' citizenship status.
