Important CCP-Related Reminders:

✓ **14-Day CCP Drop Deadline** - (First 14 calendar days of the term):

Students can drop a course without penalty. The 14-Day CCP Drop window is based on start dates by calendar/term.

*NCSC term dates will differ from those of a high school. **Example:** If NCSC's term starts Aug 10., then the 14-day drop deadline would be Aug 24, 5PM. For CCP courses meeting at a HS that starts Aug 17, the 14-day drop deadline would be Aug. 31, 5PM in that example.)

✓ **Withdraw with a Grade of "W"** - (From the 15th day of the term - Last Date to Withdraw with "W" from a course):

Students can request to withdraw with a "W". Your school district has paid for the course at the 15th day and can bill you for tuition costs for the "W". A grade of "W" does not impact GPA. Each term there's a Last Date to Withdraw ("W") from a course.

✓ **AFTER Last Date to Withdraw ("W") each term - NO WITHDRAWAL REQUESTS ARE ACCEPTED:**

Finish strong and seek support.

*Final CCP course grades are included on your HS and NCSC transcripts and factored into your cGPA.

✓ **RISKS when UNDERPERFORMING ACADEMICALLY in CCP** - If your college cGPA is LESS THAN 2.0, or if you earn TWO

"F"s or "W"s in the SAME TERM, your participation may be subject to CCP Probation or Dismissal, as determined by your school district. During probationary term, registration is restricted. After term of probation, school district will determine potential CCP reinstatement or dismissal.
