

College Credit Plus: Student Eligibility Assessment Testing

Effective Academic Year 2018-2019, a student interested in College Credit Plus must be considered eligible to participate.

A student is considered Eligible for the program if the student scores at or above the “Assessment Threshold Score” in at least one subtest of an approved assessment exam* in the table below.

If a student does not score at the Assessment Threshold Score in at least one subtest, but has scored within the “Score Range to be Considered”

(calculated as the standard error of measurement), then the student can be considered Conditionally Eligible for the program if he/she also meets one of these criteria:

Has a 3.0 cumulative GPA or

Receives a recommendation from school counselor, principal, or career-technical advisor

*Approved assessment exams are listed in this table and in the “Uniform Statewide Standards for Remediation-Free” document.

This document is reviewed annually; check for current version on www.ohiohighered.org/ccp
