**Course Number:** RESP 1270  
**Semester / Session:** Spring 2026

**Course Title:** Physician's Seminar I  
**Start / End Date:** 1/12/2026 – 5/08/2026

**IV. Examination Policy:**

Exams will be scheduled and proctored by the instructor, they will be given in the classroom. If you cannot attend your scheduled exam time, you must notify me prior to the exam so that accommodations can be made. Failure to do so will result in an automatic 10% deduction of the exam grade. Make-up exams MUST be taken within one week of original exam date.

**V. Class Attendance and Homework Make-Up Policy:**

Attendance to Zoom lecture sessions and face to face (classroom) sessions are mandatory as understanding of the topics covered are essential to your success this semester in this class.

**New for Spring 2023:** This semester will be exclusively on Zoom. Attendance is mandatory.

Students will log into Zoom on time and attendance will be counted for students who remain on camera for the duration of the session and who participate in discussions/answer questions. Students who are seen with the camera turned to off or are routinely out of frame will be counted as absent for the class period. If special accommodations must be made, the student must contact the instructor at least 30 minutes before the class is scheduled to begin.

Homework is due by the date/time posted in Canvas. Assignments that cannot be submitted by the posted due date will be accepted for 3 calendar days following the due date with a 20% reduction in grade earned. Following the 3-day grace period, work submitted late will receive 0 points.

Students who do not attend classes may be administratively withdrawn from those classes. However, failure to attend classes does not constitute withdrawal, and students are expected to process a formal withdrawal through the Student Records Office in Kee Hall.

**VI. Classroom Expectations:**

All students are expected to conduct themselves in a professional and respectful manner with any interaction between student and staff/instructor. This applies to interaction in the classroom, lab, clinical, and online environment as well as your interactions outside of a formal setting while performing work and discussions.
